REMARKS.

There were 94 deaths during the month, 42 from fevers, 4 from bowel-complaints, 48 from other causes as detailed in the previous page.

The number of deaths in November 1882, as compared with that of October 1882, are as follows:—

Of Musalmáns 26 against 24, Hindus 67 against 84, Native Christians 1 against 4, East Indians none against 1, being 19 less than the previous month, and 27 below the total number of deaths registered in the corresponding month of last year.

Resolution.—Approved.

II. Letter from the Secretary to the Dewan No. 5126—425, dated 20th ultimo, inviting attention to para 2 of the late Chief Commissioner's Proceedings No. 1525—MI. 66, dated 18th June 1880, with reference to this office letter No. 1135 dated 2nd idem, submitting for sanction an application for pension on behalf of Muhammad Shaffikhan, late Market Serjeant of this Town.

Resolution.—The Board is of opinion that he has rendered no special service to the Municipality. He has a son in employ in the Department drawing 10 Rs. The Board consider that they are dealing liberally with Muhammad Shaffikhan by recommending a gratuity of 10 months' pay viz., Rs. 150.

III. Consideration as to the points necessary to be considered in reference to plans received from parties with their application for building houses under the provisions of Section 148 of the Bangalore Municipal Regulations of 1871.

Resolved.—That in all future applications the provisions of Section 148 of the Municipal Regulations as regards levels be strictly enforced.

IV. Consideration as to the measures necessary to be adopted to prevent dead bodies being exposed or carried through any street without being decently covered.

Resolution.—The matter is apparently not one that can be properly dealt with by a Bye-law, but should be embodied in Regulations themselves.

V. Application from Khaji Nazar Hussien Shariff for a certain piece of vacant ground lying close by the Beli Mosque for the purpose of building a school house for the use of the Muhammadan girls.

Resolution.—The Municipal Commissioners state that they have not seen the place and that they will report on the matter after seeing it.

VI. Consideration of the proposed revision of the establishment of the Assessment Department, owing to additional work the department has to perform, consequent on the recent introduction of the improved system of accounts.

Resolution.—Under the circumstances of the absolute necessity existing for additional hands, the Commissioners sanction the entertainment at once of the following establishment in anticipation of the confirmation by the Dewan, as collections for the current year can no longer be delayed.

2 Assistants to Shanbhogs at Rs. 10 each.

2 Do do at Rs. 8 each.

It is also resolved that the salary of the Shroff be raised to Rs. 10 and those of the Shanbhogs who draw Rs. 7 to Rs. 10, and paid at that rate from the 1st instant. The Shanbhogs shall be liable to be transferred from one Division to another whenever there is occasion for it. Further, the Shanbhogs and Shroff shall furnish security of Rs. 250 each in cash or Rs. 500 in landed property.

VII. Letter No. 998—175, dated 11th December 1882, from the Military Secretary regarding a well to be constructed for the use of the men in the Barr Lines.

Resolved.—That under the circumstances set forth in the letter the sum of Rs. 300 be paid to the Military Secretary for that purpose.

VIII. Consideration as to whether the provisions of the Municipal Regulations and Bye-laws framed under the Regulations for the management of burial or burning grounds within the Town Municipal limits apply to places outside and made use of by the townspeople.

The Resolution against IV applies also to this subject.

The 16th January 1883.

Memo of propositions to be laid before the next Ordinary Meeting of the Town Municipal Commission to be held at their Office Premises No. 99—2, Arcot Srinivasachar's Street, on Friday the 26th January 1883 at 8 A. M.

1. The usual monthly accounts and mortuary return for the month of December 1882.
2. Consideration as to the advisability or otherwise of making provision in next year's budget for the aid of elementary poor schools in the Town.
3. Consideration of the draft budget estimate of receipts and disbursements for the official year 1883—84.
